### 6. Industrial gas and vacuum on request

## Special Conditions for Services provided by SAG GmbH (Compressed air supply)

1. Complaints can only be accepted in case of immediate information to SAG GmbH.
2. Material, placed from SAG GmbH at the exhibitor's disposal, remains their property. The exhibitor has to ensure that the material used can be dismantled resp. taken over by SAG GmbH at the end of the event completely and undamaged. Any missing parts will be invoiced to the exhibitor at current prices.
3. Connections from the supply network to the stand may only be made by SAG GmbH. The opening of the supply ducts is allowed to SAG GmbH. **These supply ducts have to remain accessible for possible repair work at any time.**
4. The connection of cables and appliances to existing cables of another stand is not permitted and entitles SAG GmbH to an immediate cut of the connection.
5. No liability is accepted due to pressure variation and damages of the installations. For repair services staff will be available during the event.
6. A surcharge of 25% on fixed – price services and 50% on the hourly rate will be levied for orders, not known until the official assembly date or which could not be executed until this time due to incomplete or unclear information.
7. The orderer will be charged with costs for wrong indications or wrong orders.

Further terms of business see order form S2.10.
